

Mobile Medical Cart Accessories

Accessories&Options

» Sliding Keyboard Tray with Keylock

The tray provides security to your system access by allowing the keyboard to be locked inside.

» Universal CPU Holder

This easy-to-install holder accommodating the majority of CPUs brings CPUs in reach when needed.

» Steel Handle

Optional one-piece steel handle is available to be added to the rear of the cart.

» Medication Drawer Tray

Optional locking storage drawers provide segregated and secure storage of medications and supplies.
