

Mobile Medical Cart

The Mobile Medical Cart is a reliable system that ensures that all the information needed for effective care is only a click away. It provides storage space so all essential supplies are easily accessible. The long-lasting, rechargeable, 8-hour battery of the Mobile Medical Cart makes the workstation entirely mobile.

Key features

- Accommodates flexible configurations: Medical Station, Panel PC and Monitor, etc.
- Improved workflow efficiency and better patient care.
- Height adjustable to accommodate users of sitting and standing work postures.
- Light and compact for easy movement and small footprint.
- Slide-out keyboard tray includes left to right sliding mouse tray.
- Organised cable management gives a neat look.
- Battery Compartment.
- Lift Mechanism: Gas spring.
